About Kingswood Homes

Kingswood Homes is a residential development company, which specialises in building high quality practical homes in the Midlands.

All our homes, small or large are built with the same high level of quality finish and attention to detail.

Choosing the right location for our developments is essential and great care is taken in the selection of each developments location.

Each of our properties are designed for living to ensure that the layout is practical and an enjoyable place to live.

Our homes are designed for life so each property is constructed using traditional approaches to construction with proven building techniques, craftsmanship and materials.

We take a bespoke approach to all of our developments to create distinctive properties that truly stand out from the crowd. Whilst all developments are unique, they all share the core Kingswood principles of expert design and high quality craftsmanship.

We build all over the Midlands including, Warwickshire, West Midlands, Worcestershire, Leicestershire, Staffordshire and some selected sites in the South West.
